Motivation:

Taking the education of our children seriously, and knowing that even maintaining the status quo – of infrastructure, learning support, second language sections etc. – is a challenge I would like to make my contribution.

Having some experience in communication and web editing I could imagine helping with the communication to – and between – parents.

But I would be willing to help in educational or organizational projects as well, if this is what is needed.

I authorize Nadine Kolloczek to represent me at the Assembly General on 1 February.
