Parent of a child in P3 RO (précisez classe / specify class):

Primary

Section: **RO**

Motivation:

Hello, I am a working mother of two children, of which one is in Primary 3, Romanian section.

The reason why I want to join your project is because I believe that parents can contribute to the well-being of children at school and in my view it is important to do so and to accompany/guide them in their journey so that to make it a beautiful and enjoyable experience both for children and parents.

From a professional point of view I have a legal background but since I became a parent my area of interests expanded covering various topics among which I have a keen interest in social services, nutrition and healthy lifestyle in general but I am happy to help where needed as well.

With kind regards,
Ana Maria Zaharie
