**Motivation:**

The Administrative board of the APEEE is currently reviewing its structural and operational processes. After four years of active involvement as a member of the Administrative board, I believe it is a crucial moment to pursue this very positive development and accompany in a new phase that will help to adapt to the full capacity that the EEB4 is about to reach.

I also believe that the gained experience as a board member and a critical view on its functioning, will benefit and assist in this transitional period.

This is why I would very much like to pursue my involvement for another two year period.
