**Motivation:**

Dear Parents,

I wish to join the APEEE to contribute to an environment which can allow our children to get the best possible education.

I am the father of two kids in the Romanian section (P1 and P4); I have both Romanian and French nationality. Born in Romania, I emigrated with my parents at the age of six to France, where I lived until the age of thirty.

I have an engineering degree in computer sciences from the ECE (Ecole Centrale d'Electronique de Paris) and an MBA from Vlerick Business School Leuven.

I have worked in various companies, big multinationals as well as in my own start up, that I grew during 9 years to a 100+ employee company operating in Paris, Bucharest and London.

I currently work for the European Commission as an IT Project manager and I am convinced that my twenty years experience in the IT field as well as my management skills can help move forward the APEEE projects and improve its organisation.

Feel free to have a look at my LinkedIn account if you wish to have more details regarding my experience. [www.linkedin.com/in/alexandre-grigorescu-negri-50ab652](http://www.linkedin.com/in/alexandre-grigorescu-negri-50ab652)

It would be a pleasure for me to be able to join the APEEE. Thanks for your support.
