Motivation:

After four years on the APEEE Board (and three years as VP Pedagogical Affairs), I'd like to continue my efforts to forge partnerships and place an emphasis on pedagogical matters. EEIV has grown and evolved constantly over the past 6 years. While that has created its own set of dynamic challenges, now it is time to evaluate our structures and practices so that they match the size and complexity of our school. We have developed a dedicated Pedagogical team which works well both as a group and together with the School Administration. I'd like to help strengthen the school community by making the Ped team and what we do more visible, and using my experience to help parents understand the European School system.
