

School Start's Note

Dear parents, dear students,

We hope you've all had great vacations and that the start of the new school year went well.

You probably had the occasion to put a face on the Board members during information sessions.

You can find the up-to-date chart here.

We would like to take this opportunity to congratulate our new Director Mr Bordoy and to salute the excellent communication that has already been set in place.

Have a good school year!

Catherine Daguet-Babich
Présidente de l'APEEE de Bruxelles IV-Laeken

Fraud at the canteen - School's badge compulsory

As announced at the extraordinary General Assembly on June 26, 2017, we have set up an access control system at the canteen after noticing that several students have been eating there without being registered. We have a limited number of seats at the canteen and can't accept a non-registered child because of security reasons and in order to assure meals for the children who are up-to-date with their payment.

This is why **from Monday 23th October 2017, secondary students will need their school's badge to get into the canteen otherwise they will be denied access.**

The recovery procedures will be communicated to you in the forthcoming newsletter.

Thank you in advance for your cooperation.
